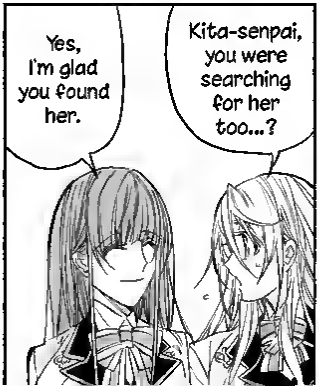
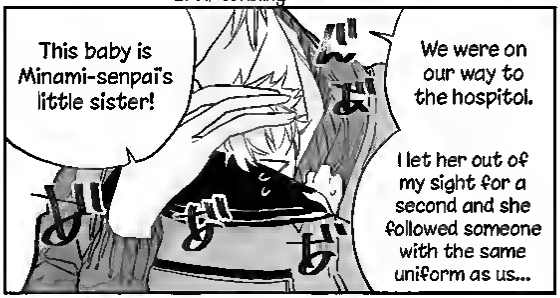
SFX: Whining

I thought my heart was going to stop when she called me "Mommy"...
No worries.
This lost child is mine...
Thank you for finding her, Kuro.

SFX: Whining

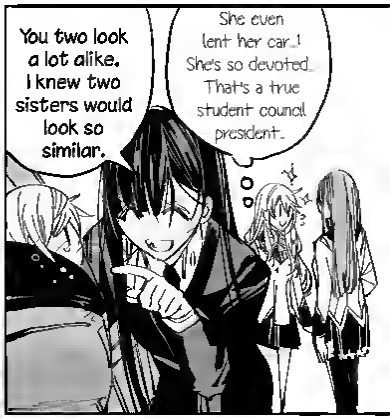




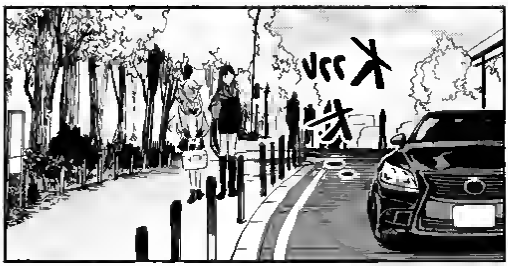
This baby is Minami-senpai's little sister!
We were on our way to the hospitol.
I let her out of my sight for a second and she followed someone with the same uniform as us...

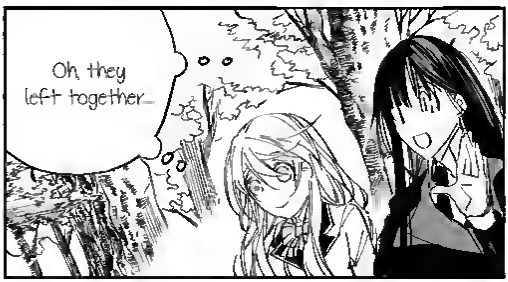
TL/N: Kita means "North" and Minami "South".

Hm...?
Well, we're from the same family, you know.



You two look a lot alike. I knew two sisters would look so similar.
She even lent her car...! She's so devoted... That's a true student council president...

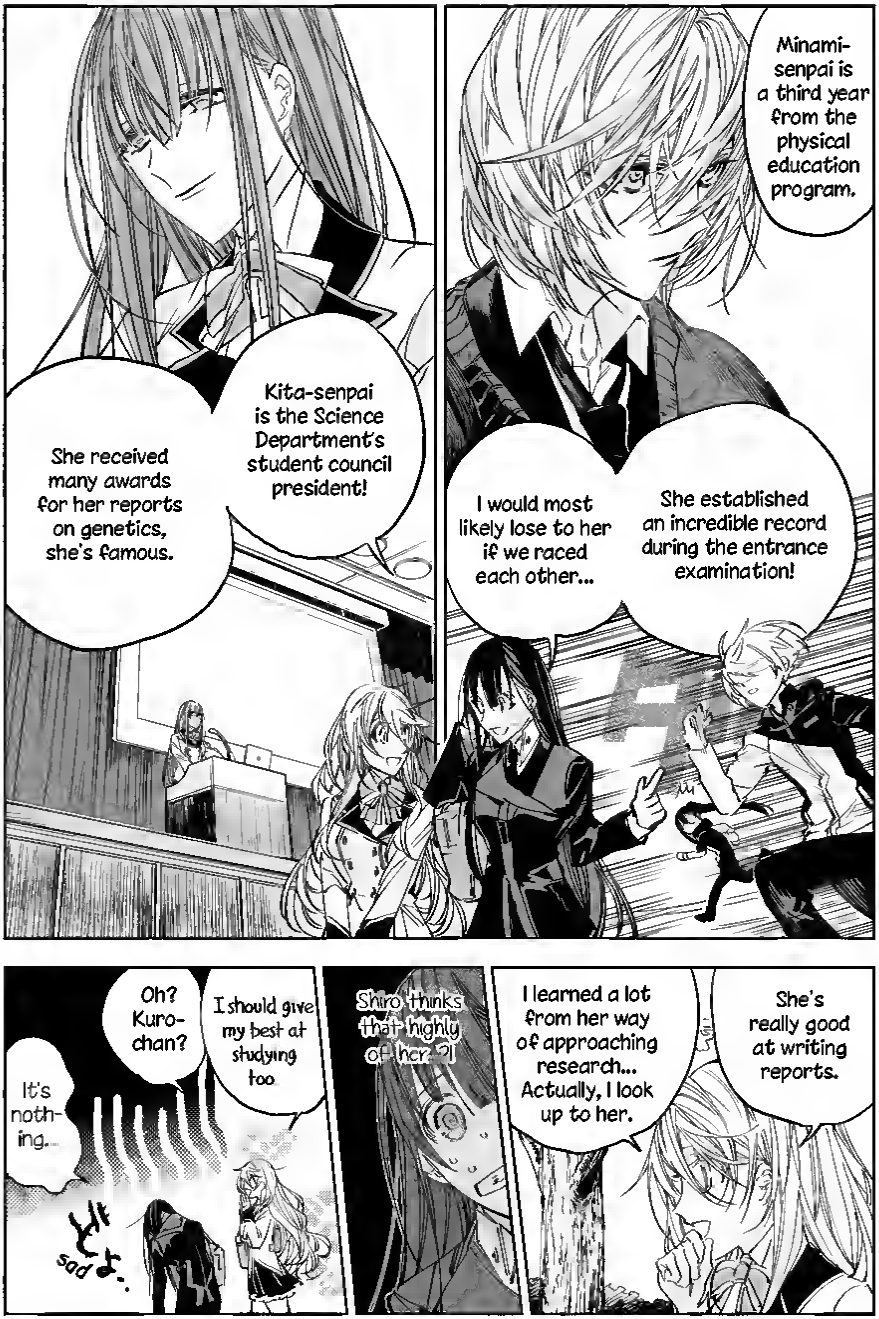




Oh, they left together...

To the hospital please.
You were seriously a great help, thanks and see you!

Wait... those two know each other!?



Minami-senpai is a third year from the physical education program.
She established an incredible record during the entrance examination!
I would most likely lose to her if we raced each other...
Kita-senpai is the Science Department's student council president!
She received many awards for her reports on genetics, she's famous.
She's really good at writing reports.
I learned a lot from her way of approaching research... Actually, I look up to her.
Shiro thinks that highly of her?!
I should give my best at studying too.
Oh? Kuro-chan?
It's nothing...
sad

But from what we've heard,
SOB
it doesn't look like they have things in common.
Maybe they get along well together?
Ah, geez.
We go so well together with a baby~~~~!

TL/N: Nishi means "West".

Nishi was looking a little sick, so I wanted to bring her to a hospital!
You didn't even give me a morning kiss...
I wondered if you ran away from home.
When I woke up, you weren't there.
kiss
Yes, yes, good morning.
PUSH BACK
shake
I told you to stop! Don't get wild already, it's morning!
Oh, sorry.
SFX: kiss
Stop, stop!
Hnnn...!
Hey.

The girl from earlier, Kuro-yeah, she's one of my Kouhai-
she said we looked alike as sisters.
Nishi-chan too, good morning.
Kiss
She's quite like you, you know...
Hehe, even being ill she ran off somewhere.
Did you explain it to her by the way?
This is the wonder of genetics.
I knew it, even strangers see that.

And I'm not the brightest.
It's hard to explain this in an easy to understand way...
Are you afraid?
No, I haven't.

Maybe my head did get hit during the accident...?
Oh!
Sorry- I apologize for being so dumb.

I was run over by the exact car we're in...

Are you alright!? I'm calling an ambulance right now!
H-Hey!
Don't try to move.
CLENCH

Yes!
Don't move!
Stay still!
What?
An angel...?

No way...
Did a car run me over? Is my fate calling me...?!
Even though I don't feel like there's anything anywhere in my body...
This is nothing; I'm going home.
RISE
WHOOSH
You have to wait! Did you hit your head or something?
I told you this is nothing, I just told you!
GRAB
W-What a robust kid...

Brotha', what about 5000 then?
Minami-senpai! What happened with you!?
It's nothing. I was just run over a bit.
I have to run until I fall asleep from exhaustion because you drunkards are noisy until morning!!
Hahaha! You're so healthy, running marathons at night. Idiot!
Don't die!
Thanks boss!
Oh, Minami! At least patch yourself up!
The crisis is everywhere, you know~
WADDLE
... What?
The next day.
It still hurts...
Feeling down
That girl is one of the top students at the school.
Why is she at the school gate?

Ah! The one from yesterday!!
I was in the car that ran you over yesterday evening.
Hello, I was looking for you!
You were wearing the school sports-wear...
I was waiting here to meet you.
Who are you?
Ah, I'm Minami.
grab
My name is Kita. Nice to meet you.
That means she wasn't an angel but a human!?
Besides...
She's beautiful. She's so beautiful that she looks like a doll, and she's right here...
Wow...

I could only study in this school with exempted tuition fees.
I don't really know much of anything, and I would have joined without the test, but
Eh? Ah, well...
I heard that you established a new record during your exam entrance.
I remember that it was a huge conversation topic at the time.
I had a dream I wanted to come true. So, I moved to this school to fulfill that dream.
I was studying in a combined school before, however,
No, I had joined this school as a normal student.
Kita-san, you're a scholarship student too right?
You have an objective, it's amazing!
Hihi, maybe I am.

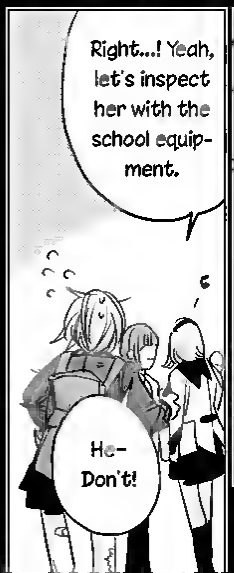
Oh!
You're a serious person.
Hey you!!
turn

What!? I ain't drinking or smoking!!
Come to the disciplinary room with me immediately!
You have the stench of cigarettes and alcohol on your uniform!

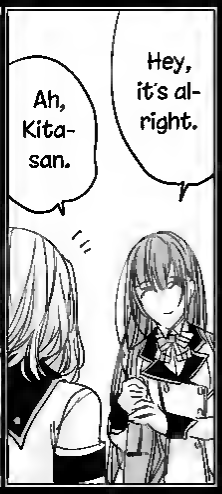
I ain't got that kind of money! Stop bitching about it!
If that's right then you should use a laundry service!
...

That's why my clothes smell like alcohol and cigs!
My home is above a bar in a back street near the station!



Right...! Yeah, let's inspect her with the school equipment.
He- Don't!

This way, we will ensure whether that student has foreign substances on her outfit or not.
Let's make that student undergo a medical examination.



Ah, Kita-san.
Hey, it's al-right.

What a worrying girl...
I want to know whether or not your body has anything wrong with it.
I know you look healthy, but because of yesterday's incident,
There is nothing wrong with your body. All is in order!
Oh really...
Her bone density is twice the average. It's really rare for kids to have such density nowadays.
What a wonderfully robust person, huh.
It's fine. I know the smell is there, so you don't have to...
I'm sorry that I doubted you.
bow

Oh?
Where are my uniforms?
As an apology for the accident, I would like to offer you some brand new clothes...
Eh?
Can I have them!!?
Wooow, a Jersey too! Thank you Kita-san!
Oh, underwear too!
They're brand new! I'm so happy!
I'm glad they please you! If you need something else, feel free to demand anything.
Nah... I can't really ask for anyth-

Looks like it's time for a meal.

A few weeks later.
After that, we became the kind of friends who eat together.
Ah, I knew it, there's no way.. That girl is so rich..
I'm not good with those kind of people...
Kita-san, you don't have to give me meals anymore.
nom

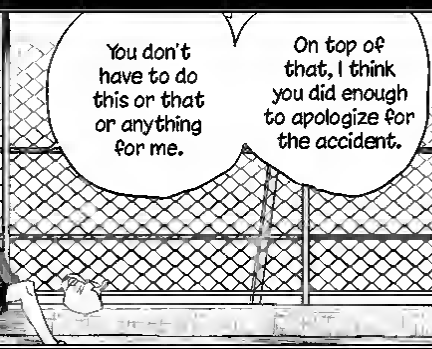
I see, I'm really sorry.
Also, I got used to the grilled fish of your bentos, so I can't eat canned fish anymore. This is really annoying...

The food you bring me is too damn delicious. My tongue is too unrefined for that...!
The food I ate before you started giving me meals was awful...

You don't have to do it everyday anymore.



You don't have to do this or that or anything for me.
On top of that, I think you did enough to apologize for the accident.

You don't have to come tomorrow... Now, see ya.
!
I need you!
I won't be a bother to you anymore!
W-What!?
SUDDEN MOVE
Wait!
What? Is this a love story all of a sudden?
TWITCH
No, it's not that.
Is it because you feel guilty then?
Did someone tell you something!?
Or is it out of charity?
None of those...
Then what is it!? Tell me!
Your...
